The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the City of Henderson's Public Safety Mental Health & Wellness Program for fiscal year 2024. The entity to receive funding for this project is the City of Henderson, located at 240 S. Water Street, Henderson, NV 89015.

The funding would expand services among law enforcement officers and police employees who experience trauma in the line of duty. Additional resources include having staffed mental health clinicians who receive ongoing training in first responder treatment methods, programming, and wellness interventions, and an educated peer support program for officers.

This project is an appropriate use of taxpayer funds because it will address suicide, mental health conditions, and the stress that public safety officers face related to their duties. The mental health and wellness of these employees ensure that the city is managing critical incidents, crime, roadway safety, and other services that impact the daily life of every member of our community.

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10152.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
